Kids Quest offers a variety of the kids' favorite activities including the Tiny Tots room especially designed for our youngest guests, the most popular non-violent video and arcade games, the Techno Quest® games stations featuring Wii® and Kinect® games, iPad® stations, our high-tech Quest Café, a gym with basketball court, and the Karaoke Star Stage where kids sing and perform their favorite songs on stage.

Kids will be excited to experience a number of new activities including Apt. Q where playing house is brought to life in their own make-believe apartment, a challenging climbing half-wall in the gym, an all-new indoor play piece with a super slide and interesting crawl and climb tunnels, Club 305 is especially suited for the 3-5 year olds with quiet play activities and tumbling equipment, the Movie Spot provides a fun theater atmosphere to watch a movie on the big screen and sit in rumbling seats, and Creation Station where young artists create a masterpiece souvenir to take home after their visit, and the expanded Quest Café to relax and have a snack or meal while watching a movie. To end a fun day at Kids Quest stop by The Shop and purchase a toy or game for the road.

## Cyber Quest

Cyber Quest is a well-lit, professionally supervised arcade offering the latest non-violent arcade games for guests of all ages (an adult must accompany children under 12 years). Staff members professionally supervise the center, and they are available to assist children in finding games well-suited for them. The arcade features a challenging assortment of video and arcade games for enthusiasts and novices alike, with an ever-changing video lineup. Our arcades consistently provide the latest and greatest ticket, crane, and video games. There is no fee to enter Cyber Quest.

The new Prize Zone displays hundreds of great prizes patrons can win during game play. If customers get hungry playing all the great games, they can stop by the Quest Café and purchase entrées, snacks or beverages.

Cyber Quest has a state-of-the-art Club Card system that gives guests a game card instead of tokens to activate game play. Guests register themselves to be part of Hall of Fame Club and accumulate points to become an All-Star, MVP, or Legend member. The Club Card system includes “green” technology allowing customers to choose the option of receiving paper prize tickets or having their tickets automatically stored on their personal Club Card
